FIG. 5

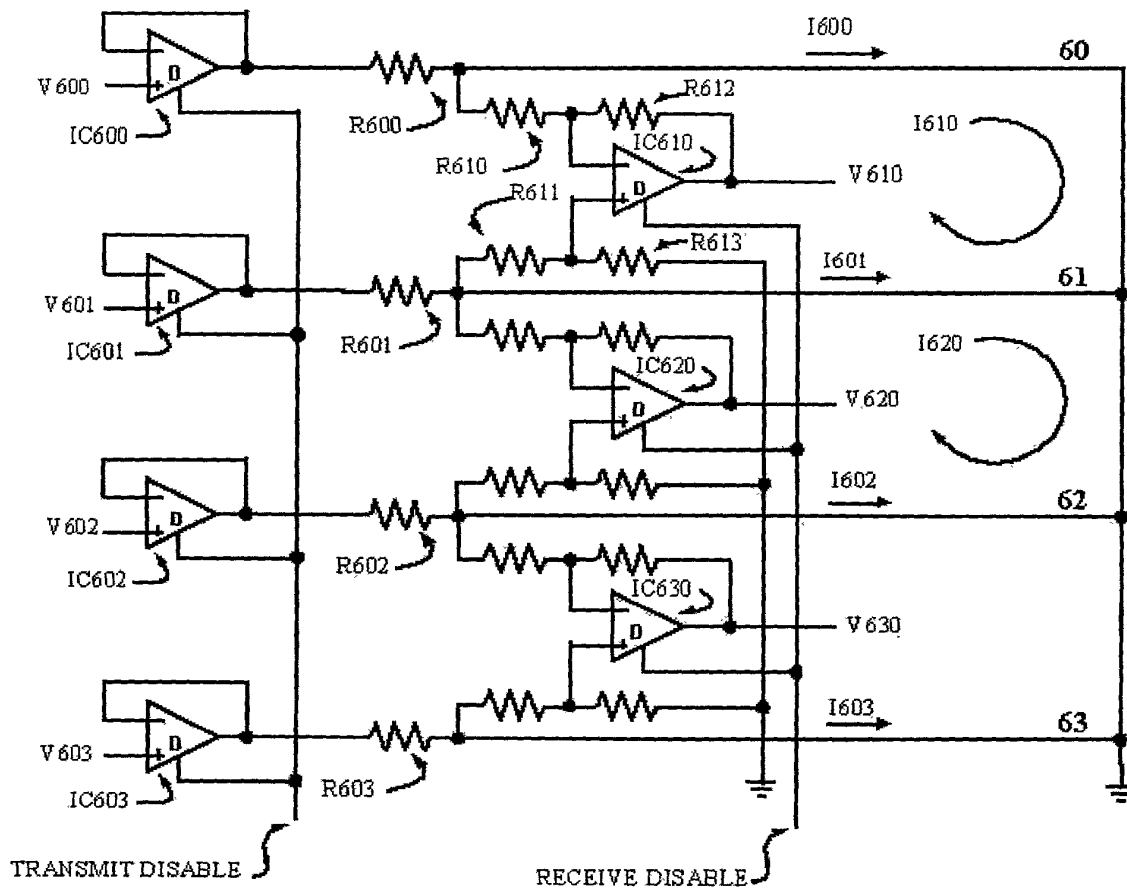

FIG. 6

FIG. 8 is a schematic diagram of a grid structure 1000. The grid structure 1000 includes a grid of horizontal lines 1003 and vertical lines 1004. The grid is bounded by a top edge 1001 and a bottom edge 1002. The grid is further defined by a left edge 1005 and a right edge 1006. The grid is composed of a series of horizontal lines 1003 and vertical lines 1004, which intersect to form a grid of squares. The grid is shown in a perspective view, with the top edge 1001 and bottom edge 1002 being parallel lines. The left edge 1005 and right edge 1006 are also parallel lines. The grid is shown in a perspective view, with the top edge 1001 and bottom edge 1002 being parallel lines. The left edge 1005 and right edge 1006 are also parallel lines.
